

Godly Visionz was established in 2020 and launched Frantz Charles' debut novel "The GCP: The First Resurrection". Expanding worldwide, Godly Visionz is more than just a publishing company. Godly Visionz has become a successful publishing company, parent company now acquiring Eden skin and Beauty LLC. Godly Visionz has the perfect Vision for your project and every product it puts out. Godly Visionz plans on producing film, books, and helping out many other companies.
